## EXPLORE AUSTRALIA

Australia is a beautiful and wild place. A land whose colour palette of soft desert sand and technicolour reefs frame the lively cities and soulful indigenous stories. The biggest attraction is the natural beauty, from the exquisite beaches to the impeccable landscape. Australia's unique landscape deviates from dry, to rainforest, to endless stretches of surf beach. Discover what makes Australia so special as you uncover wildlife habitats, rugged coastal landscapes, unpopulated deserts and stunning white-sand beaches. There's no bad time to visit Australia, with the sparkling ocean waters waiting for you to visit! There's abundant wildlife you may come across, such as kangaroos, koalas, wallabies, kookaburras, parrots, whale sharks, manta-rays and humpback whales just to name a few!

WHAT'S  
HOT

### VICTORIA

Although Victoria is Australia's second smallest state, its wealth of diverse regions and attractions make it a perfect, compact place to visit. With stunning, sweeping coastlines, pristine beaches, and expansive national parks you will be amazed everywhere you go. There are so many amazing places to look forward to, including forests teeming with wildlife, gourmet wineries, as well as lakes and mountains offering skiing, climbing and hiking. Best of all, many of Victoria's unique and varied landscapes are easily reached as day trips from Melbourne.

### NEW SOUTH WALES

Make the iconic city of Sydney your base for exploring some of the most breathtaking natural treasures that New South Wales has to offer. With endless national park landscapes offering stunning view points, cascading waterfalls and many friendly local animals, you will be spoilt for choice of favourite location. Spend a day indulging in the best of the local produce from Australia's oldest wine region, wandering the vineyards and taking in the peaceful atmosphere.

### SOUTH AUSTRALIA

Rugged red outback and dramatic coastlines, you will sure be able to tell why South Australia packs a punch. A beautiful and diverse state, South Australia is home to Kangaroo Island, historic towns and cities with plenty of delicious local produce. You will find a stunning combination of semi-arid country outback, exquisite greenery and remarkable coastline as far as the eye can see. South Australia truly has something for everyone.

### WESTERN AUSTRALIA

An unspoiled nature-based destination, be impressed by the West with its many unique wildlife habitats, breathtaking coastal views, World Heritage listed reef, unpopulated deserts and stunning white-sand beaches. All year round, crystal blue waters invite you to swim, surf or snorkel. There's abundant unusual native species including the largest amount of whale sharks on Earth. Learn about one of the oldest surviving cultures on Earth through stories, rich heritage and prehistoric art. And there's even jaw-dropping attractions with labyrinth-like gorges and waterways, monster white sand dunes and ancient limestone formations.

The Balconies, The Grampians National Park

We begin our adventure exploring one of the world's oldest mountain ranges, the Grampians National Park rich in Indigenous history. Located west of Melbourne, this rugged bush landscape is alive with Australian flora and fauna, such as kangaroos, emus and birds. The Grampians National Park is a unique and majestic region, where you can experience breath-taking views and scenery.

After a complimentary morning tea in Beaufort, we'll travel to the delightful town of Halls Gap and take a stunning walk through the Wonderland Ranges. The Grampians National Park is rich in Aboriginal history and we'll learn more about the fascinating aboriginal art and heritage at the Brambuk Aboriginal Cultural Centre.

After lunch we take an easy stroll up to Boroka Lookout where breath-taking

mountain views await. Following on to the summit, we reach Reeds Lookout to panoramic scenery overlooking Victoria Valley. We then hike to The Balconies/ Jaws of Death, before venturing down to the base of one of the majestic waterfalls located in the heart of the Grampians. Returning to Melbourne, we stop for dinner along the way. (own expense)

Phillip Island, Penguin Parade

Enjoy two of Melbourne's most popular destinations traveling against the crowds and staying overnight on the famous Great Ocean Road! On day two we'll jump on the ferry to transfer across Port Phillip Bay to spend the day getting up close with Australia's diverse wildlife on Phillip Island.

Leaving from Melbourne, we'll make our way to the 12 Apostles to start exploring before the crowds arrive. Continuing along the Shipwreck Coast stopping at some magnificent spots along the way, we'll have lunch by the coast, see the ancient Otway's Rainforest and search for local wildlife in its natural habitat. Enjoy dinner before spending the night in the coastal town of Torquay on the Great Ocean Road. On the second day, we'll finish our journey

along the Surf Coast before taking a ferry across to Phillip Island to spend some time exploring and see part of the picturesque Mornington Peninsula. The Pinnacles, Namsung

This tour includes a visit to the beautiful Yanchep National Park, where you can wander the gardens, spot wild kangaroos and view koalas from boardwalks. For the more adventurous, you can choose to join a guided tour of Crystal Cave (*own expense*) and view the intricate stalagmites and stalactites.

Spread over hectares of natural bushland, Yanchep is known for its caves, kangaroos, and koala population. The beautiful parklands will be our first stop for the day. Here, you have the option to join a guided tour of Crystal Cave, a stunning limestone cavern with stalactites and stalagmites following an underground crystal-clear stream. Alternatively, join us on a stroll along the Koala boardwalk and parklands with wild Kangaroos. Visit a gourmet

chocolate cafe with a specialty 'Australian' themed handmade chocolate and relax with some free time in the tea-rooms. Enjoy a guided walking tour through the Pinnacles Desert in the late afternoon sun surrounded by mystical rock formations, before joining the group for a sumptuous picnic dinner. There are hundreds of limestone stacks that cast long shadows in the golden hours before the sun sets, providing stunning photo opportunities.
